Data Extractions

Confidential information from your medical records can be used by the NHS to improve the services offered so we can provide the best possible care for everyone. This information along with your postcode and NHS number but not your name, are sent to a secure system where it can be linked with other health information. This allows those planning NHS services or carrying out medical research to use information from different parts of the NHS in a way which does not identify you.

If you have concerns or wish to prevent this from happening, please speak to practice staff or ask at reception for a copy of the leaflet "How information about you helps us to provide better care".

More Information can be found at www.nhs.uk/caredata

If you wish to object to your information being used in this way please tick the box(es) below that apply:

I wish to object to my information leaving the GP Practice and being sent to the Health & Social Care Information Centre

I wish to object to information about me leaving the Health & Social Care Information Centre to be used by another party

If you have previously informed us of your objection but now wish to reverse that request, please tick the box(es) below that apply:

I wish to reverse my previous request and wish to allow my information to leave the GP Practice and be sent to the Health & Social Care Information Centre

I wish to reverse my previous request and wish to allow my information to leave the Health & Social Care Information Centre to be used by another party
